Counsel for Cisco,

Please find attached for service SynQor's Second Supplemental Disclosures of Asserted Claims and Infringement Contentions for Cisco. These supplemental infringement contentions are directed towards Cisco's replacement MPNs/new CPNs as set forth therein and as previously mentioned for example in Mike Hatcher's Feb. 22 letter. Please review the supplemental infringement contentions and let us know by **Friday March 15** if Cisco will agree not to oppose a motion for leave to supplement with these contentions. If Cisco does oppose, please propose a time on or before **Friday March 15** to conduct a final meet and confer with lead and local counsel regarding SynQor's motion for leave.

As you know, we continue to seek information from Cisco regarding its products, for example as noted in Mike Hatcher's Mar. 4 letter. We reserve the right to amend further when we obtain additional information.

Regards,

**David T. DeZern**
